ORDER:-

In the references first and third read above, the Director, Animal Husbandry, A.P., Vijayawada, has stated that the Annual Prophylactic Vaccinations calendar for various Bacterial and Viral diseases in the Livestock is being prepared every year basing on the previous disease out breaks data and emergencies such as natural calamities into consideration. Preventive vaccinations before the onset of diseases can minimize the economic losses and uplifts the socioeconomic status of rural livestock farmers and timely Vaccination of Animals plays a pivotal role in prevention of diseases which is rather better than treatment. The Vaccines are being purchased to some extent from Telangana State Veterinary Biological Research Institute, Hyderabad and IAHVB, Bangalore depending on the availability of vaccines at the respective institutions as the above institutes supplying to this state after fulfilling their state requirements.

2. The Director of Animal Husbandry, A.P., Vijayawada has further stated that, due to uncertainty in the quantity of vaccine supplies from other states and for timely supply of vaccines to field as per Annual Animal Health calendar, there is every need to identify the vaccine suppliers from the open market through transparent e-tendering process.

3. The Director of Animal Husbandry, A.P., Vijayawada has accordingly submitted the tender document for selection of agency for the supply of veterinary vaccines for the period 2024-26 with quantities along with specifications and terms and conditions is prepared and the technical and financial bid committees for evaluation of e-tenders and requested the Government, to (a) Accord permission to float e-tenders for the purchase of Bacterial and viral vaccines through e- procurement platform for the years 2024-26, (b) Approve the tender document with terms and conditions and specifications of vaccines and (c) Approve the Technical and Financial Bid Committees.

4. Government after careful examination of the matter, hereby accord permission to the Director of Animal Husbandry, A.P., Vijayawada to float e-tenders for the purchase of Bacterial and viral vaccines through e- procurement platform for the years 2024-26 and also approve the Tender document annexed to this order, with terms and conditions and specifications of vaccines.

5. Government also hereby approve the following Technical and Financial bid committees for evaluation of e-tenders.
